2.1 Brand engages Creator, and Creator agrees, to create and publish the Deliverables on the Creator Channels in accordance with this Agreement and each SOW.

2.2 Creator is an independent contractor. Nothing in this Agreement creates an employment, agency, partnership or joint venture relationship between the parties. Creator is responsible for Creator's own team, equipment, software licenses and working hours.

2.3 Brand may request additional Deliverables during the Term. Any additional Deliverable requires a new or amended SOW that states the additional fee. Creator is not obliged to accept any additional Deliverable.

2.4 If this Agreement conflicts with a SOW, this Agreement controls unless the SOW expressly states that it overrides a named section of this Agreement.

ARTICLE 3. PRODUCTION OF CONTENT

3.1 Creator shall produce each Deliverable in Creator's own editorial style and voice, using reasonable skill and care and to a standard at least equal to Creator's recent unsponsored content.

3.2 Creator shall include the key messages set out in Exhibit C and shall use the Tracking Link supplied by Brand. Creator shall not create new product claims that do not appear in Exhibit C without prior Approval.

3.3 Creator shall not include in any Deliverable any third-party music, footage, fonts or other material unless Creator holds a license that permits use of that material in sponsored content for the full period of all rights granted under this Agreement.

3.4 Creator shall not include any person other than Creator in a Deliverable unless that person has signed a written release in a form reasonably acceptable to Brand. Creator shall provide copies of all releases to Brand on request.

3.5 Brand shall supply the Brand Materials in good time. Any delay by Brand in supplying Brand Materials or feedback shall extend the relevant Creator deadlines by an equal period.

ARTICLE 4. REVIEW AND APPROVAL

4.1 Creator shall submit a written concept for each integration no later than the concept date set out in Exhibit A. Brand shall respond to each concept within three (3) business days.

4.2 Creator shall submit a draft of each Deliverable no later than the draft date set out in Exhibit A. Brand's review and the revision process are governed by Section A.4 of Exhibit A.

4.3 Creator shall not publish any Deliverable until Creator has received Approval of the final version. Publication without Approval is a material breach of this Agreement.

4.4 Approval of a Deliverable does not relieve Creator of Creator's obligations under Article 6 or Article 13.

ARTICLE 5. PUBLICATION REQUIREMENTS

5.1 Creator shall publish each Deliverable on the Go-Live Date agreed in Exhibit B, between 09:00 and 18:00 Eastern Time, unless the parties agree otherwise in writing.

5.2 Creator shall keep each long-form integration live on the relevant Creator Channel for at least twelve (12) months after its Go-Live Date and shall not edit, trim or unlist it without Approval.

5.3 Creator shall place the Tracking Link in the first three lines of the video description and in a pinned comment for at least sixty (60) days after the Go-Live Date.

5.4 Creator shall not publish a sponsored integration for any third party within the same video as a Deliverable.

ARTICLE 6. DISCLOSURE AND PLATFORM COMPLIANCE

6.1 Creator shall clearly and conspicuously disclose the paid relationship with Brand in each Deliverable, both verbally and in writing, in accordance with the U.S. Federal Trade Commission Guides Concerning the Use of Endorsements and Testimonials in Advertising, the UK CAP Code and all other applicable laws.

6.2 Creator shall use each Platform's paid promotion or branded content disclosure tool where that tool is available.

6.3 Creator shall only state honest opinions, findings and beliefs, and shall only describe Creator's actual experience of the Brand's products.

6.4 Brand may require Creator to correct any Deliverable that Brand reasonably believes does not comply with this Article 6. Creator shall make the correction within twenty-four (24) hours of Brand's request.

ARTICLE 7. EXCLUSIVITY

7.1 During the Term, Creator shall not create, publish or appear in any sponsored or paid content for, and shall not accept any fee, product or other benefit from, any person in connection with Competitive Products.

7.2 Post-Term Restriction. The restriction in Section 7.1 shall continue to apply for twelve (12) months after the expiry or termination of this Agreement for any reason.

7.3 Organic mentions of Competitive Products in Creator's unsponsored content are not a breach of this Article 7 if Creator receives no payment, product or other benefit for the mention.

7.4 Creator shall notify Brand in writing before accepting any sponsorship that Creator reasonably believes may fall within the definition of Competitive Products.

ARTICLE 8. FEES AND PAYMENT

8.1 In consideration of the Deliverables and the rights granted under this Agreement, Brand shall pay Creator a total fee of eighteen thousand US dollars (USD 18,000) (the "Fee"), in six (6) installments of three thousand US dollars (USD 3,000) each, as set out in Exhibit F.

8.5 Late payments shall carry interest at one percent (1%) per month, or the maximum rate permitted by law if lower.

ARTICLE 9. EXPENSES AND TAXES

9.1 The Fee includes all costs of producing the Deliverables. Brand shall reimburse only those expenses that Brand has approved in writing in advance.

9.2 Each party is responsible for its own taxes. Brand may deduct withholding tax where required by law and shall provide Creator with the relevant certificate.

9.3 Creator shall provide a completed tax form on request, including a Form W-8BEN or Form W-9 as applicable.

ARTICLE 10. OWNERSHIP OF CONTENT

10.1 As between the parties, Creator owns all Intellectual Property Rights in the Content, subject to the rights granted to Brand under Article 11 and Exhibit L.

10.2 Brand owns all Intellectual Property Rights in the Brand Materials and the Brand Marks. Creator may use the Brand Marks only in the Deliverables and only as permitted by Exhibit C.

10.3 Nothing in this Agreement grants Brand any right to use Creator's unsponsored content.

ARTICLE 11. USAGE RIGHTS

11.1 Organic Reposting. During the period of sixty (60) days after each Go-Live Date (the "Usage Period"), Brand may repost each Deliverable on Brand's own organic social media channels, with credit to Creator.

11.2 Paid Media. Except as set out in Exhibit L, Brand shall not use the Content in Paid Media.

12.2 Creator shall follow the visual guidelines in Exhibit C and shall not alter the Brand Marks.

12.3 Creator shall return or destroy any confidential Brand Materials at the end of the Term, except for product samples, which Creator may keep.

ARTICLE 13. CREATOR WARRANTIES

13.1 Creator warrants that Creator has full power to enter into this Agreement and to grant the rights granted under it.

13.3 Creator warrants that Creator has not been, and will not be during the Term, the subject of any public controversy that would reasonably be expected to bring Brand into public disrepute.

ARTICLE 15. INDEMNIFICATION

15.2 Brand shall indemnify Creator against all losses, damages and reasonable legal costs arising from any third-party claim relating to the Brand Materials, the Brand's products or any claim in Exhibit C.

15.3 The indemnified party shall notify the indemnifying party promptly of any claim, allow it to control the defense and give reasonable assistance at the indemnifying party's cost.

ARTICLE 16. LIMITATION OF LIABILITY

16.1 Neither party shall be liable for any indirect, incidental, special or consequential loss, or for any loss of profit, revenue or goodwill, however caused.

16.2 Except for liability under Article 15 and for breach of Article 18, each party's total liability under this Agreement shall not exceed the total Fee.

18.4 This Article 18 survives for three (3) years after the end of the Term.

ARTICLE 19. DATA PROTECTION

ARTICLE 20. TERM AND TERMINATION

20.1 This Agreement starts on the Effective Date and continues for six (6) months (the "Term"), unless terminated earlier under this Article 20.

20.2 Either party may terminate this Agreement by written notice if the other party commits a material breach and fails to cure the breach within ten (10) business days after receiving written notice of it.

23.2 The parties shall first try to resolve any dispute through good-faith negotiation between senior representatives for thirty (30) days.

EXHIBIT C - BRAND GUIDELINES AND TALKING POINTS

C.1 Key Messages. Each long-form integration should communicate at least two of the following messages in Creator's own words:

- (a) PixelPilot encrypts your internet traffic on public and home networks.
- (b) PixelPilot does not keep activity logs, as confirmed by an independent audit in 2026.
- (c) One PixelPilot Family plan covers up to eight devices.
- (d) New customers get a 30-day money-back guarantee.

C.2 Approved Claims. Creator may make only the following factual claims about PixelPilot without separate Approval:

Claim	Substantiation
No activity logs	Independent audit report dated March 2026
Servers in 60+ countries	Server list on pixelpilot.example/servers , updated monthly
Up to 8 devices per Family plan	Plan terms, section 2
30-day money-back guarantee	Refund policy, version 4
WireGuard protocol support	Technical documentation, protocol page

C.3 Prohibited Claims. Creator shall not state or imply that PixelPilot (a) makes the user anonymous, (b) makes any illegal activity safe, (c) is "unhackable" or "100% secure", (d) unblocks any specific streaming service, or (e) is endorsed by any government or public authority.

C.4 Visual Guidelines. Use the PixelPilot logo only on a plain background with clear space equal to the height of the letter P on all sides. Do not recolor, stretch or animate the logo. The brand colors are Pilot Blue (#1F4FFF) and Night (#0B1020). On-screen text for the discount code must stay visible for at least three (3) seconds.

C.5 Naming. Write the brand as PixelPilot, with a capital P twice and no space. Say the product name as "pixel pilot". Do not use the abbreviation PP.

C.6 Disclosure Wording. Suggested verbal disclosure: "This video is sponsored by PixelPilot." Suggested written disclosure at the top of the description: "Sponsored by PixelPilot. Use code RILEY20." Creator may adapt the wording if the meaning stays clear.

C.7 Comment Moderation. Creator shall not delete critical comments about PixelPilot unless they contain hate speech, spam or personal data. Creator may pin Brand's official response to a frequently asked question.

EXHIBIT D - SAMPLE SCRIPT EXCERPTS

The excerpts below show the expected tone. They are examples only. Creator writes the final script in Creator's own words, subject to Approval.

Integration 1. "This video is sponsored by PixelPilot. Quick question: when you join coffee shop Wi-Fi, who else is on that network? You have no idea, and neither do I. That is why I turn on PixelPilot before I open my email. Two taps, and my traffic is encrypted. The link and my code RILEY20 are in the description."

Integration 3. "Packing for a trip means packing a lot of screens. My laptop, my phone, the tablet my partner steals every flight. One PixelPilot Family plan covers up to eight devices, so hotel Wi-Fi stops being a gamble. This part of the video is sponsored by PixelPilot."

Integration 5. "Last pick on my Black Friday list is not a gadget at all. It is PixelPilot, the sponsor of this video. I have used it for two months now on every network I do not control. If you want to try it, code RILEY20 gets you the current offer, and there is a 30-day money-back guarantee."

Integration 7. "New year, new security reset. Updates first, then two-factor authentication on every account that matters, then PixelPilot for public networks. PixelPilot is sponsoring this video, and they had an independent audit confirm they keep no activity logs."

Integration 9. "Here is my home office network. Router, mesh points, and PixelPilot running on the desktop and my phone. Quick disclosure: PixelPilot sponsors this video. I blur my screen here, because nobody needs to see my client folders."

Integration 11. "Six months with PixelPilot, the sponsor of this series. What I like: it just stays on. What I would improve: the server list could be easier to search. Still, it is on every device I own, and the link is below if you want to try it."
